# Racing Information

## SCORING POINTS

The winner of the match shall be determined by the point system, whereby each boat starting and finishing a race of a match will receive as many points as is indicated in the following table:

Order of Finish	Points	Order of Finish	Points
First .....	400	Seventh .....	71
Second .....	300	Eighth .....	53
Third .....	225	Ninth .....	40
Fourth .....	169	Tenth .....	30
Fifth .....	127	Eleventh .....	22
Sixth .....	95	Twelfth .....	17

## STARTING AND FLAG SIGNALS

### \* Gun 5 Minutes Before Start

The preparatory gun will be fired five minutes before the start of the race and at this time at the Judges Stand a Red Flag and four minute targets will be displayed above the clock.

As each minute elapses one of the targets will be removed or blanked out, the remaining signals indicating the number of minutes remaining before the firing of the one minute gun.

### \* One Minute Gun

Exactly sixty seconds before the start, the one minute warning gun shall be fired, a white flag displayed at the Judges Stand and the clock set in motion. The Red Flag shall be immediately lowered.

### \* White Flag — Start

The official start shall be the exact instant when the hand of the starting clock indicates that the final minute has elapsed and at this moment the starter shall drop the white flag to indicate that the race has officially started and a starting gun may be fired to call attention to the dropping of the white flag.

### \* Red Flag — False Start

In the event of a false start (as defined in rule XII) the starter will display the red flag and when all boats in the starting field have circled and passed back of the 500 foot starting buoy, in position to make another start, the one minute gun will be fired and the starting signals repeated as described above.

### \* Green Flag — Beginning of Last Lap.

### \* Checkered Flag — The Finish

### \* Black Flag — Don't Leave Pits or Go on Course.
